SUPERVISORY PATENT EXAMINER

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: Entry of after final amendment was refused for the reasons specified in the Advisory dated 11/16/06. Applicants had been reminded of their duty to disclose. The after final amendment was sent on the last day of the extended period for response. Applicants had not submitted their own work to the Office for consideration. The work was submitted on the untimely amendment filed 3/5/07 (after expiration of the extended period for response) in an IDS. The IDS would have required further search and consideration, even if submitted in a timely manner..
